

Affiliate Program

Do you have a website, blog, or Facebook page? Do you want to get paid for promoting travel? You can get paid for promoting your favorite destinations like Disney, Universal, cruises, Hawaii and more. We offer an affiliate program that pays partners for referring guests to our website.

What is an Affiliate?

An affiliate is a partner that refers potential customers to our travel agency website through a website, blog, Facebook or other social marketing.

How Much is an Affiliate Paid?

Affiliate partners make \$2 for a small complete quote and \$3 for a large completed quote on our website. When you sign up for our affiliate program, you will receive a special link to use to promote us. As your guest clicks on your link on your website, blog or social marketing they are tracked to our website through a cookie. If your guest then requests a quote on our website, you are paid on the completed quote. Below is a sample small quote form on our site. When your guest completes this small form, you are paid \$2.

The screenshot shows a web browser window displaying the website destinationsinflorida.com. The page features the company logo, a navigation menu with links for 'About Us', 'Walt Disney World', 'Disney Cruises', 'Universal Orlando', and 'Other Destinations', and a search bar. A large image of people on a water slide is the background. A 'Request A Quote' form is overlaid on the right side of the slide image. The form includes the following fields:

- Destination (Please select from drop down)
- First Name and Last Name
- Phone and Email
- # of Adults (input: 1) and # of Children (input: 0)
- Check-In Date and Check-out Date
- Request a Specific Agent by Name
- Submit button

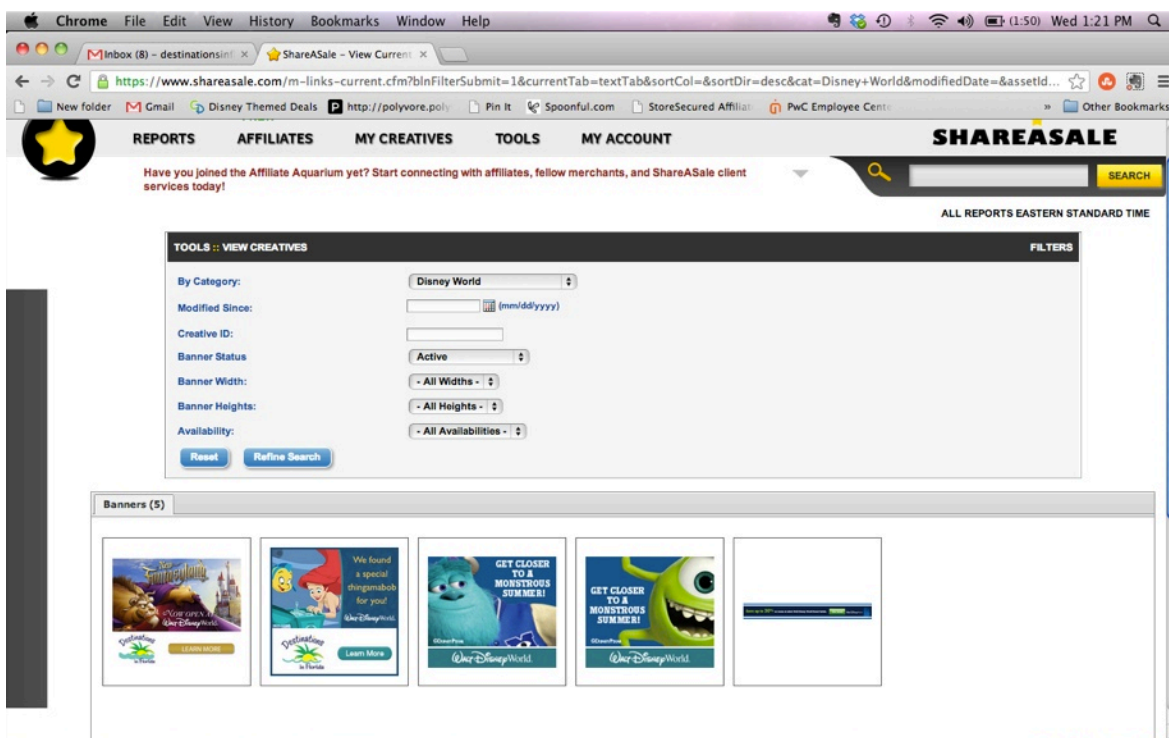

Below the main image, there is a 'Current Specials' section with four small images. At the bottom of the page, a green banner reads: 'Planning an Orlando Florida Vacation? You have come to the right spot! We specialize'.

The cookie lasts for 90 days. This means if the guest leaves our website and then comes back 90 days later and completes a quote form, you will still be paid on the completed quote.

Our affiliate program is run by Share a Sale. This affiliate management company is one of the best companies in the world for affiliate programs. They pay our affiliate partners every month on completed quotes.

How Do I Market the Affiliate Program?

Once you sign up for our affiliate program, you will have access to Share a Sale. You can login to your account to get creatives including banners, buttons, and text links to promote on your website, blog, Facebook or other social marketing. Here is sample page on Share a Sale with some Disney World buttons available for your use.

You will also have a travel agent as your contact. This travel agent is there to help you promote travel with insiders tips and deals, guest blogging, giveaways, and more. Your agent will not only help you promote travel on your site, but also book any of your guests.

How is an Affiliate Paid?

You can track your clicks from your website, blog, or social marketing to our site, completed leads, and any payments. Here is a sample of the Share a Sale account showing the number of hits and leads for this month for an affiliate partner called Madame Deals.
