

Gratuities Suggestions at Disney World

Transportation

Magical Express - No tipping

Towncar/Limousine - \$3-4 tip per transfer

Disney Luggage Delivery

Disney Value and Moderate Resorts offer luggage delivery instead of bellman services. You do not tip the luggage delivery.

Bellman

Bellman at Disney Deluxe Resorts or other hotels - \$1-2 per bag.

Bartenders/Servers

The standard is 10-20% gratuity. If you purchased a Disney Dining Plan or Meal Deal, gratuity is not included. If you have a party of 6 or more people, 18% gratuity is normally automatically added.

Valet

\$2-5 when you pick up the car. Tipping is not required when you drop off the car.

Disney Cast Members (Employees)

Disney employees cannot accept gratuities, except for a few select positions. If you are not sure, you can offer. If they are not allowed to accept tips, they will tell you.

Spa Treatments

The standard gratuity is 15-20% for spa treatments or salon treatments

Here's a Tip!

Housekeeping (Disney calls it Mousekeeping)

You can leave \$1-3 per night for your housekeeper based on service and hotel. [Here is a special envelope](#) that your family can create at home for the Housekeeping gratuity. You can print this page, cut a small line through the line and then place the tip inside the line (as an envelope).
